SILVER STATE YOUTH SPORTS

COME JOIN US

Silver State Youth Sports has been serving Northern Nevada and California communities since 1999, assisting girls ages 8-18, to reach their dreams and become college student-athletes.

Our programs provide mentoring, life skills, sports and recreation supervised programs. Our mission is to enhance the growth of young women through the physical and emotional challenge of sports that may help development success in their education and their life.

Our staff is comprised of former and current collegiate players and coaches, along with current high school coaches. We have girls participating from 30 middle schools and high schools. More importantly, we have girls participating in our programs from 30 middle and high schools located in Nevada cities - Reno, Sparks, Fernley, Carson City, Minden, Gardnerville, Zephyr Cove, Yerington, Lovelock, Fallon, Stateline and Dayton.

This participation has supported our members becoming high school graduates, attending college, playing collegiate volleyball and being awarded college degrees.

We would like to thank you for your support. Proceeds from this tournament will be directed towards organized youth sport and mentorship programs.

The Silver State Youth Sports is the primary program we service in our local community.

We have produced national results that include: 3rd at the 2002 USA Junior Olympic National Championships-17 Division, 6th at the 2007 Volleyball Festival-16 Division, 8th at the 2005 Volleyball Festival-17s Division and 19th at the 2009 Junior Olympics -18 Division.
