

Updating Your Public SSVc Player Profile

Information you are able to update on your public player profile on the SSVc website: accomplishments and video links.

Login to your SSVc player account:

1. Go to SSVc website: <https://silverstatevolleyball.com/>
2. Click Member's Area
3. Login
4. If you have never accessed or forgot the password of your player account, reset your password: <https://silverstatevolleyball.com/password/reset>
5. In the upper right corner, click your name, then Player Profile
6. Scroll down to Social Area and Proposal section. Fill in accomplishments, video links, and links to other recruiting profile you wish to be shown on your public SSVc player profile.
 - a. Use the accomplishments section to link to other recruiting profiles such as FieldLevel or anything other than YouTube or Hudl
 - b. We recommend using the YouTube and Hudl sections to link to the profile page containing the videos/playlists, not a single video
 - c. Note: Any areas left blank will remove existing information and links
7. When complete, click Request Confirmation button
8. Once reviewed by staff, the updated information will appear on your public SSVc player profile.
